Services

Service	Description	UiO*/ Academic project**		Commercial project**	
		no assistance	assistance	no assistance	assistance
TEM use	Per hour	560,-	900,-	1100,-	1900,-
TEM training	2 days course. Price per research group		6000,- [#]		13200,-
TEM training adv.	Advanced users, per hour		500,-		875,-
Embedding Durcupan	2 days (5-20 blocks)	1200,-	5000,-	3000,-	10000,-
Embedding Lowicryl	5 days (24 block)	3600,- (one day assistance)	7200,-		12600,-
Sample preparation and other tasks	Per hour		500,-		1000,-
Ultramicrotomy	Per hour	170,-	560,-	280,-	1000,-
Immunogold cytochemistry	Experiments with up to 4 antibodies. Prices w/o primary antibody		3500,-		4500,-
Perfusion for EM training	Per hour		750,-		2000,-

Package prices for TEM

	UiO*	Commercial project**
1 person per year	55 000,-	Price on request
2 persons per year	90 000,-	Price on request
3+ persons per year	110 000,-	Price on request

Material costs

Item	Description	Price
Glutaraldehyde 25%	Per mL	15,-
Liquid nitrogen	Per L	40,-
Paraformaldehyde 4%	Per L	250,-
Osmium tetroxide	Per mg	200,-
Grids	Per grid	15,-
Vial of grids 100 pk	Per vial	850,-
Grid w/ carbon coated Formvar	Per grid	25,-
Gridbox	Per box	200,-
Grid coating pen	Per pen	600,-
Glass knife	Per strip	150,-
Gold (for immunogold)	Per grid	30,-
Gold (for immunogold)	Per µl	20,-
Uranylacetate	Per g	300,-

[#] Maximum of 2 people can be trained at a time. An additional NOK 1000,- will be charged for if 2 people are trained at the same time.
