

Requests for use of facilities and /or assistance on a project
at the EpiGen laboratory

Title of project:

Principal Investigator:

New project:

or

Ongoing project:

(tick as appropriate)

Brief description of the project, max 250 words

Specify the need for help:

1. If storage of samples, please indicate:

- estimated number of samples, size, quantity etc
- time period
- how (for example, at what temperature)
- any other

2. What methods and instruments will be used?

<p>3. What kind of assistance is needed:</p> <ul style="list-style-type: none">• the need for training in the lab• technical assistance in the lab• help with the analysis of results• any other
Time and extent of assistance, please specify
Financing - indicate how the project is financed

Colaboration:

If the laboratory and instruments are to be used by external research projects, please specify how the laboratory will be made visible in publications (co-authorship and / or addressing*).

*If the contribution of EpiGen does not qualify for authorship, we request that one of the collaborators uses EpiGen as his/her second address on the publication, as shown in the example:

Kari Norman, Ola Norman*, Per Hansen

*Department XXX (your own) and Department of Clinical Molecular Biology (EpiGen), Division of Medicine, Akershus University Hospital, University of Oslo, Norway.

"Requests for use of facilities and/or assistance on the project ..." can be sent electronically to
