**GENERAL ASSESSMENT GUIDELINES FOR TERMPAPER IN HMAN 4210**

- The student chooses a topic that is relevant for the course. The topic has to be approved by the lecturer.
- The paper should be about 7-10 pages exclusive title page, figures and tables, and literature. Times New Roman or Calibri size 12 and 2, 5 margins all around.
- Grading on a scale from A (Excellent) to F (fail). For a general explanation of the grades A to F, see here:
  https://www.uio.no/english/studies/examinations/grades/index.html

*These are some important aspects that will be paid attention to in the grading*:
- The research question is clearly formulated and pertinent
- In addressing the research question, the candidate performs an analysis/evaluation that demonstrates a good understanding of concepts and theories from the course or relevant for the course.
- The candidate demonstrates an ability to identify and/or gather, analyze/evaluate and present knowledge/literature accurate and clearly
- The paper as a whole is well organized an maintains a focus on the research question.
- The discussion is rich, and the conclusion reasonable given the research question, theory and/or literature/case/material.
- The paper is well written and the language is clear and free of errors.
